(2) A student who has attained the age of eighteen years and who is supporting himself financially is entitled to exercise all the rights and powers, to assume all the obligations and to receive all the benefits under this Act, that the student’s parents are otherwise entitled to exercise, assume or receive on the student’s behalf, including but not limited to the receipt of reports, approving school visits and paying fees.

(3) Subsection (2) does not affect the right of any parent or other person or body who or which is paying for or otherwise sponsoring a student who has attained the age of eighteen years to receive reports on the student’s academic results and any other information relevant to the student’s progress.

| **B - Parent’s Rights and Responsibilities** |
| Choice of education. | 22. Subject to this Act, a parent of a child of compulsory school age may choose for that child’s education, a public school or private school. |
| Rights and responsibilities of parents or guardians. | 23. (1) A parent or guardian of a child attending a public school is entitled –  
(a) to be informed of the progress, behaviour and attendance of the child;  
(b) upon reasonable notice to the principal and teacher, to observe the instruction of the child if the visit does not impede the instruction of other children;  
(c) to appeal any decision taken under this Act that significantly affects the education, health or safety of the child; and  
(d) to be consulted on the development of any special educational programme for the child.  
(2) A parent or guardian of a student under the age of eighteen years may, and at the request of a principal or teacher shall, consult with the teacher or principal with respect to the student’s educational performance.  
(3) A parent or guardian of a child under the age of eighteen years who knows that the child has a particular medical or other condition of which
the principal ought to be made aware, shall notify the principal in writing –

(a) on admission of the child; or
(b) as soon as the parent becomes aware of the condition.

(4) Information collected under subsection (3) shall constitute part of the student’s record.

### Student records and reports.

#### 24. (1) A principal shall establish and maintain, in accordance with guidelines issued by the Chief Education Officer, a record called the student record for each student enrolled in the school.

(2) A student shall be entitled to receive a periodic written report on the student’s academic performance and conduct and the report constitutes part of the student’s record.

(3) In the case of a student under the age of eighteen years, a copy of the report referred to in subsection (2) shall be made available to the student’s parents.

(4) In the case of a student aged eighteen years or older who is receiving financial assistance or other sponsorship, a copy of the report referred to in subsection (2) shall be given on request to the person or body providing the financial assistance or other sponsorship.
(5) The report referred to in subsection (2) shall contain the information and be in the form determined by the Chief Education Officer.

(6) The following persons may examine and copy a student’s record or request a certified copy of it -

(a) the parents of a student who is under eighteen years of age;
(b) a student who is eighteen years of age or older, whether or not that student is financing his/her own education;
(c) the parents of a student who is eighteen years of age or older who are financing the student’s education or who have obtained the student’s consent; or
(d) the sponsors of a student who is eighteen years of age or older.

(7) Subject to subsections (3) and (6), a student’s record is privileged information for the use of the school and of Ministry officials in the performance of their functions and is not available to any other person or institution without the written permission of the parent or, if the student is eighteen years of age or older, the student.

(8) A person who contributes information to a student record is
exempted from any liability with respect to the provision of the information if the person, in providing the information, acted-

(a) in good faith;
(b) within the scope of the person’s duties and responsibilities; and
(c) with reasonable care.

(9) If, on examining a student’s record, a person authorised under subsection (6) is of the opinion that the student’s record contains inaccurate or incomplete information, the person may request that the principal rectify the record.

(10) A person who discloses information from a student record in contravention of subsection (7) commits an offence and is liable on summary conviction to a fine of fifty thousand dollars.

25. (1) The parents and teachers of a school may, in accordance with the regulations, form an association, to be known as a Parent Teacher Association.

(2) The Regional Education Department may promote, encourage and assist in the formation of active and functioning Parent Teacher Associations.
(3) The Chief Education Officer shall encourage and assist in the formation of a National Parent Teacher Association.

(4) Parent Teacher Associations may be established in public and private schools.

(5) The purpose of a Parent Teacher Association of a school shall be the promotion of the interests of the school by bringing parents, members of the community, students and teachers into closer cooperation.

(6) Parent Teacher Associations may, subject to this Act, make rules for the conduct of their business.

(7) On the formation of the Parent Teacher Association and in every subsequent election of a new executive body, the Parent Teacher Association shall send the names of the members of the executive to the Chief Education Officer through the relevant Regional Education Officer.

26. (1) If a Parent Teacher Association does not exist in a school, the principal, in collaboration with the academic staff, may establish a school committee comprising a number of parents, teachers and members of the community as the principal determines.

(2) A school committee shall be an advisory committee to the school.
(3) On the formation of a Parent Teacher Association for the school, the school committee shall stand dissolved.

| Suggestions and wishes of parents to be considered. | 27. The Minister shall, in exercising the Minister’s functions under this Act, consider the views of parents formally conveyed to the Minister with regards to the education of students insofar as the views are compatible with the education programme. |

| C - Admission and Attendance of Students | 28. (1) Subject to this Act, a person who is eligible for admission to an educational institution as a student shall not be refused admission on any discriminatory ground relating to that student or a parent of that student. |
|  | (2) A person who or a body that refuses, to admit any student who is eligible for admission to an educational institution, or expels any student from an educational institution on any discriminatory ground relating to the student or a parent of the student, commits an offence and is liable on summary conviction to a fine of fifty thousand dollars. |
|  | (3) In this section “discriminatory ground” means a ground based on race, religion, place of origin, political opinion, colour, creed, status, physical disability. |

| Age limit for pre-primary, primary schools. | 29. (1) A child may be admitted to a public pre-primary school if the child has attained the age of three years by June 30th in the year of admission. |
(2) A child may be admitted to a public primary school if the child has attained the age of five years by June 30th of the year of admission.

(3) Notwithstanding anything in subsection (2), a child who has not satisfied the requirements as to age may be admitted to a public primary school if the Chief Education Officer determines that the child is competent to be admitted to the school.

**Requirements for admission.**

30. (1) A child may be admitted to a public pre-primary school or a public primary school where at the time of the admission-

   (a) the child is accompanied by a parent or the guardian or by a person over the age of eighteen years who has been authorised by a parent or the guardian to represent the child;

   (b) the person accompanying the child brings the child’s birth certificate;

   (c) the child has attained the age stipulated under section 29;

   (d) the person accompanying the child brings a certificate issued by a medical practitioner or by the public health authorities indicating that the child has been immunized, has been
exempted from immunization or can produce the certificate within thirty days.

(2) Admission to a public pre-primary and primary school shall be at the beginning of the academic year except that the Chief Education Officer through the Regional Education Officer may grant written permission for admission at any other time of the academic year for good cause.

**Age limit for secondary schools.**

31. (1) Subject to subsections (2) and (3), a student may be admitted to a public secondary school if the student has attained the age of eleven years by June 30th of the year of admission.

(2) A student below the age stipulated in subsection (1) may be admitted to a public secondary school with the written permission of the Chief Education Officer on the ground of exceptional ability and consistently high academic performance as shown by-

(a) outstanding performance in periodic school examinations;

(b) the child’s national assessment results; or

(c) the written recommendations of teachers.

(3) A child below the age stipulated in subsection (1) but who, prior to the child’s residence in Guyana, attended or gained admission to a secondary
school or the equivalent of a secondary school outside Guyana may, with the written permission of the Chief Education Officer, be admitted to a public secondary school.

(4) A student shall not, without the written permission of the Chief Education Officer, be retained in a public secondary school after the end of the academic year in which the student attains the age of nineteen years.

Insurance.

78. (1) A private educational institution or private school shall keep in force a general liability insurance policy or other form of indemnification in the minimum amount prescribed by the Minister, by order, for each occurrence of any loss or damage resulting from bodily injury to, or the death of one or more persons and for loss or damage to property, regardless of the number of claims arising from any one occurrence.

(2) The general liability insurance policy or other indemnification shall provide coverage to a private educational institution or private school for all claims arising out of liability imposed by law on the institution or school or any liability assumed under an agreement entered into by the institution or school.

(3) A private educational institution or private school shall ensure that in its general liability insurance policy or other form of indemnification the word “insured” is defined to include the named insured and any employee, board member, agent or other person, whether receiving remuneration or not, when acting within the scope of his/her duties for the named insured.

(4) A private educational institution or private school which fails to maintain an insurance policy or other form of indemnification as required by this section commits an offence and is liable on summary conviction to a fine
| Information to be provided. | **79.** (1) At the beginning of an academic year, every proprietor shall inform the Minister the names and qualifications of the members of the teaching and other staff.  

(2) In addition to the particulars to be submitted to the Minister under subsection (1), a proprietor shall inform the Minister-

(a) of any change which renders the information provided for the issue, renewal or modification of the permit inaccurate or incomplete;  

(b) where applicable, that the institution or school is unable to provide all or any of the educational services specified in the permit;  

(c) of any amalgamation, sale or transfer affecting the institution or school; and  

(d) of any change in the name of the institution or school. |
| Visits to private educational institutions and private schools. | **80.** (1) The Minister, the Chief Education Officer and any other person authorised in writing by the Minister or the Chief Education Officer may enter the premises of any private educational institution or private school during school hours in order to make enquiries, carry out an inspection under Part IX or discharge any other function under this Act. |
(2) The proprietor of a private educational institution or private school shall during school hours keep the institution or school open to visits by the persons mentioned in subsection (1).

(3) A person who, in respect of any person mentioned in subsection (1)-

   (a) obstructs that person in the performance of his/her duties;

   (b) makes a false representation to that person; or

   (c) refuses to furnish any information which that person reasonably requires under this Act,

commits an offence and is liable on summary conviction to a fine of fifty thousand dollars and to imprisonment for one month.

81. (1) If the Minister is satisfied that a private educational institution or private school registered under section 68 or deemed to have been registered under this Act has ceased to be conducted in accordance with this Act, the Minister may serve on the proprietor of the institution or school a notice requiring the proprietor to conduct the institution or school, as the case may be, in accordance with this Act.

(2) A notice referred to in subsection (1) shall specify the time within which a proprietor must comply with the notice.
(3) The Minister may, if he thinks fit, grant a proprietor further time, in addition to the time specified in the notice referred to in subsection (1), to comply with the notice.

Revocation of permit and cancellation of registration.

82. If a proprietor who is served with a notice under section 81 fails, within the time specified in the notice or within any further time the Minister allows, to comply with the notice, the Minister shall-

(a) revoke the permit of the private educational institution or private school;
(b) cause the institution or school to be removed from the Register; and
(c) inform the proprietor, in writing -

(i) that the permit issued under section 70 or deemed to have been issued under section 67 has been revoked;
(ii) that the entry in the Register maintained under section 68 has been cancelled;
(iii) of the reasons for the revocation and cancellation; and
(iv) of the proprietor’s right to ask the Minister to review the decision.
Review against refusal and cancellation.

83. (1) A proprietor of a private educational institution or private school who is refused a permit pursuant to section 71 or whose permit is revoked and the entry in the Register has been cancelled under section 82 may, within thirty days of being notified of the refusal or revocation and cancellation, apply to the Minister to review the refusal or revocation and cancellation, as the case may be.

(2) In an application requesting for a review of the refusal to issue a permit, the proprietor may ask the Minister for a review on any of the following grounds-

(a) that the reasons given for the decision do not disclose any failure to meet any of the requirements for a permit set out in section 67;

(b) that the inspection of the school carried out pursuant to section 80 was not adequate for determining whether the school meets the requirements of section 67; or

(c) that there is no evidence available to support the decision.

(3) In an application requesting for a review of the revocation of a permit and cancellation of registration, the proprietor may ask the Minister for a review on any of the following grounds -

(a) that no notice was served on the proprietor under section 81;
(b) that the time specified in the notice served under section 81
or the further time allowed to the proprietor under section 81
(3) to comply with the notice was inadequate or unreasonable.
(c) that the proprietor has complied with the notice served under
section 81 in time; or
(d) that there is no evidence available to support the decision.

(4) If a review is sought under this section the Minister shall not
enforce the refusal or revocation of a permit and cancellation of the entry in
the Register maintained under section 68 until the review is determined or
withdrawn.

(10) On the basis of the report of the hearing, the Chief Education Officer shall take a decision on whether or not the expulsion of the student is warranted.

(11) If the student or the student’s parent or guardian is aggrieved by the decision of the Chief Education Officer, the student or the student’s parent or guardian may prefer an appeal to the Minister.

(12) Every appeal under subparagraph (11) shall be made within thirty days from the date of the expulsion order and shall clearly state the reasons for the appeal.

(13) The Minister may, allow the appeal or vary, modify the finding at the hearing or reject the appeal as he deems just and proper and the decision shall be communicated to the student, the student’s parents or guardian, the Chief Education Officer and the Head Teacher of the school.

(14) Every appeal under subparagraph (11) shall be disposed of as expeditiously as possible.

Education in a Special School.

23.(1) A student under the age of fourteen years and six months who has been expelled from the school at which the offence or misconduct was committed may be enrolled in a Special School.

(2) While issuing an expulsion order under paragraph 18(10), the Chief Education Officer shall also issue an approval order for the enrolment of the student concerned in a Special School.

(3) Students who are of compulsory school age and who have been expelled from a school may be placed in a Special School.

(4) The approval order of the Chief Education Officer shall be countersigned by the Head Teacher of the school at which the offence or misconduct was committed.

(5) Upon issuance of an approval order, all records pertaining to the student shall be forwarded to the Chief Education Officer who signs and transmits them to the Head Teacher of the Special School where the student is to be enrolled.

(6) At the Special School, the student’s behaviour and conduct shall be monitored and the Head Teacher of the Special School shall furnish a periodical report each term or half yearly to the parents or guardian of the student and to the Chief Schools Welfare Officer.
(7) The Head Teacher of the Special School shall ensure that counselling is provided to the students in the Special School.

(8) The Special School shall provide the students tuition in Health and Family Life Education, Mathematics, Science, English language, Social Studies, Social Skills and Etiquette and Pre-vocational education or Technology Education.

(9) At the end of each academic year, a student at a Special School shall be assessed to determine whether or not the student has been sufficiently rehabilitated and could be returned to the main-stream of schooling.

(10) To return to the main-stream of schooling, a student must demonstrate satisfactory progress in the academic and vocational areas and in behaviour management.

EXPLANATORY MEMORANDUM

The Bill seeks to repeal and replace the Education Act (Cap.39:01). It reforms the legal framework of education in Guyana and
Article 149H (1) of the Constitution mandates that every child is entitled to free primary and secondary education in schools owned or funded by the State. The Bill makes provision for giving effect to Article 149H (1) subject to available resources of the State and the availability of educational facilities to all persons in Guyana. The Bill contains provisions for ensuring free education to all persons. It relates to quality education at all levels both in public as well as private schools and other educational institutions in Guyana. The existing school management system is being strengthened giving maximum participation of parents and teachers in the management of schools. Discipline of students in schools is provided for. These measures will ensure for the benefit of children, enhancing their talents, mental and physical and ensuring a rounded education in all schools.

**Part 1 (Preliminary):** This Part sets out the preliminary provisions of short title, commencement and interpretation. Clause 2 defines “academic year”, “compulsory school age”, “educational institution”, “school”, “special education” and “tertiary education”.

**Part II (Administration of the Education System):** This Part states the general goals and main objectives of an education system in Guyana. It provides for the establishment of a decentralized education system of management and a National Advisory Committee on Education. It also
empowers the Minister to appoint Special Committees to advise the Minister on various matters relating to education.

**Part III (Rights and Responsibilities of Students and Parents):** This Part mainly deals with the rights and responsibilities of students and parents and the procedure relating to admission and attendance of students in schools, compulsory school attendance of children of compulsory school age and maintenance of order and discipline in public schools in accordance with the Manual in Schedule III. Clause 15 provides that, subject to available resources, all persons in Guyana are entitled to receive education appropriate to their age and needs. Clause 16 envisages compulsory education to all persons of compulsory school age. Clause 25 provides for formation of Parent Teacher Associations and a National Parent Teacher Association. Clause 26 provides for the establishment of a School Committee in the absence of a Parent Teacher Association. Clauses 28 to 38 deal with school admissions and school attendance. Clause 39 provides that an academic school year shall not be more than forty weeks. Clauses 39 to 48 deal with enforcement of compulsory school attendance programme. Clauses 49 to 51 provide for maintenance of order and discipline in schools.

**Part IV (Categories of Schools and the Stages of Education):** This
Part deals with the categories of schools and the stages of school education. Primary education, secondary education and tertiary education are the stages of public education. However, the Minister may, by order, include as part of the system of public education pre-primary education, education to meet the requirements of students who are gifted or have exceptional ability, special education in accordance with Part VI, adult and continuing education and distance education. Clause 53 provides for the establishment of public pre-primary and primary schools. These schools shall be managed and controlled by the Minister. The pre-primary schools established under the existing Education Act shall continue to function. Clause 54 provides for establishment and maintenance of public secondary schools by the Minister. Clause 54 empowers the Minister to establish a board of governors for every public school whenever the Minister considers it necessary for the economy, efficiency and participation of the community in the management of education. Clause 64 provides for the establishment of a student council at every public secondary school for assisting the school administration, ensuring the general welfare of the students and maintenance of discipline amongst the students. Clauses 65 to 87 deal with the establishment and administration of private educational institutions and private schools providing pre-primary, primary, special and secondary education in instructional services in general at the tertiary level and in vocational education and training at the secondary, tertiary and adult levels. Clause 67 makes it mandatory that for operating a private educational institution or private school a permit is required to be
obtained from the Minister. Further, provisions in this Part deal with the matters relating to the grant or refusal of a permit and the maintenance of a Private Schools Register by the Chief Education Officer.

**PART V (Management of Public Educational Institutions):** This Part contains provisions relating to the establishment and management of public educational institutions, teachers colleges and technical colleges as the Minister may determine. Clause 90 provides that the Council for Technical and Vocational Education and Training established by section 3 of the Technical and Vocational Education and Training Act will carry out such functions as may be assigned to it under the proposed legislation and advise the Minister on all matters relating to technical and vocational education and training in Guyana. Clause 91 provides for the establishment of publicly funded branches of the Teachers’ Colleges in the regions of Guyana and Clause 92 applies the Act to President’s College and the Industrial Training Schools.

**Part VI (Other Types of Education):** This Part deals with special education programmes for students of compulsory school age and certain students beyond the compulsory school age who by virtue of intellectual,
communicative, behavioural, physical or multiple exceptionalities are in need of special education. The special education programme may take the form of individual education plan tailored to suit the specific or individual needs of the student concerned. Clause 97 empowers the Minister to make provision for distance learning education programme at pre-primary, primary, secondary and tertiary levels. Clause 98 enables the Minister to make provision for continuing and adult education programmes.

**Part VII (Employment of Teachers):** This Part deals with employment of teachers, their age, qualifications, etc.

**Part VIII (Curriculum Assessment of Students):** This Part provides detailed provisions relating to the establishment of a national curriculum, assessment of stages, determination of attainment targets and constitution of subject panels for creating and revising a national curriculum.

**Part IX (Inspection and Review of the Education System):** This Part deals with inspection of public schools at least three times in an academic year by the Regional Education Officer or any person authorised by the Regional Education Officer. Clause 110 provides that assaulting or obstructing
any person visiting for inspection or making a false representation or giving false information to a person making the inspection is an offence liable to be punished summarily with a fine of fifteen thousand dollars. Clauses 111 and 112 deal with review of education system by properly monitoring the evaluation, reporting and the developments on both academic and non-academic standards.

**Part X (Miscellaneous):** This Part deals with various miscellaneous matters including the procedure for search of students in schools for possession of intoxicating liquor, drugs, firearms, stolen goods, etc., use of school premises by vendors of food, beverages, etc., power of Minister to make Regulations for properly carrying out the provisions of the Act and repeal of the former Education Act.

Clause 125 contains the transitional provisions. The National Council for Education constituted under the former Act is dissolved. However, the board of management or a governing board established under the former Act is allowed to be continued until a board of management or governing board is constituted under this Act.

**Schedule I** contains detailed provisions relating to the composition, terms and conditions of appointment of the Chairperson, Deputy Chairperson
and other members, and powers and functions, etc. of the National Advisory Committee on Education established under section 10.

**Schedule II** contains detailed provisions relating to the procedure of board of governors of every public secondary school established under section 54.

**Schedule III** contains the *Manual* of Guidelines for the Maintenance of Order and Discipline in Schools. It provides detailed provisions dealing with unacceptable behaviour or offences, suspension, expulsion and education in a special school for expelled students.
