(ii) be so employed that his remuneration and conditions of service are less favourable than those which are attached to the appointment...
under the Government held by him at the date aforesaid or which would have become attached to such appointment, during the said period, had such officer not been detailed for duty with the entity; and

(2) The terms and conditions comprised in any offer made as aforesaid shall not be deemed to be less favourable merely because they are not in all respects identical with or superior to those enjoyed by the officer concerned at the date of such offer, if such terms and conditions, taken as a whole, in the opinion of the Prime Minister, offer substantially equivalent or greater benefits.

(3) Every officer who accepts permanent employment with the entity, offered to him under the provisions of subarticle (1), shall for all purposes other than those of the Pensions Ordinance and of the Widows’ and Orphans’ Pensions Act, be deemed to have ceased to be in service with the Government and to have entered into service with the entity on the date of his acceptance, and for the purposes of the said Ordinance and of the said Act, so far as applicable to him, service with the entity shall be deemed to be service with the Government within the meanings thereof respectively.

(4) Every such officer as aforesaid who, immediately before accepting permanent employment with the entity was entitled to benefit under the Widows’ and Orphans’ Pensions Act, shall continue to be so entitled to benefit thereunder to all intents as if his service with the entity were service with the Government.

(5) The entity shall pay to the Government such contributions as may from time to time be determined by the Minister responsible
for finance in respect of the cost of pensions and gratuities earned by an officer who has accepted permanent employment with the entity as aforesaid during the period commencing on the date of such officer’s acceptance.

(6) For the purpose of the Pensions Ordinance the pensionable emoluments of such public officer on retirement shall be deemed to be the pensionable emoluments payable to an officer in Government service in a grade and at an incremental level corresponding to the post and incremental level at which the officer retires from the entity.

(7) (a) For the purposes of this article posts and salary grades with the entity shall be classified in the most nearly corresponding grades and incremental levels in the service under the Government of Malta by reference to job description, skills, responsibilities and other analogous factors.

PART X
Financial Provisions

116. (1) Without prejudice to the following provisions of this article, every entity shall so conduct its affairs that the expenditure required for the proper performance of its functions shall, as far as possible and practicable, be met out of its revenue.

(2) In case an entity registers any excess of revenue over expenditure, this excess shall, subject to such directives as the Minister, after consultation with the Minister responsible for
finance, may from time to time give, be applied by the entity to the formation of reserve funds to be used for the purposes of the functions of the entity.

(3) Any funds of an entity not immediately required to meet expenditure may be invested in such manner as may from time to time be approved by the Minister.

117. The Minister responsible for finance may, after consultation with the Minister, make advances to the entity of such sums as he may agree to be required by the entity for carrying out any of its functions under this Act, and may make such advances on such terms and conditions as he may, after consultation as aforesaid, deem appropriate. Any such advance may be made by the Minister responsible for finance out of the Consolidated Fund, and without further appropriation other than this Act, by warrant under his hand authorising the Accountant General to make such advance.

118. (1) For the purpose of carrying out any of its functions under this Act, the entity may, with the approval in writing of the Minister, given after consultation with the Minister responsible for finance, borrow or raise money in such manner, from such person, body or authority, and under such terms and conditions as the Minister, after consultation as aforesaid, may in writing approve.

(2) An entity may also, from time to time, borrow, by way of overdraft or otherwise, such sums as it may require by way of working capital for carrying out its functions under this Act:

Provided that for any facility in an amount exceeding sixty-nine thousand and eight hundred and eighty-one euros and twenty cents (€69,881.20), there shall be required the approval of the Minister in writing.

119. (1) The Minister responsible for finance may, for any requirements of an entity of a capital nature, contract or raise loans, or incur liabilities, for such periods and on such terms and conditions as he may deem appropriate; and any sums due in respect of or in connection with any such loan or liability shall be a charge on the Consolidated Fund.

(2) Notice of any loans, liabilities or advances made or incurred under the foregoing provisions of this article shall be given to the House of Representatives as soon as practicable.

(3) Pending the raising of any such loan as is mentioned in subarticle (1), or for the purpose of providing the entity with working capital, the Minister responsible for finance may, by warrant under his hand, and without further appropriation other than this Act, authorise the Accountant General to make advances to the entity out of the Treasury Clearance Fund under such terms as may be specified by the Minister upon the making thereof.

(4) The proceeds of any loan raised for the purposes of making advances to an entity, and any other moneys to be advanced to an entity under this article, shall be paid into a fund specially established for the purpose.
(5) Sums received by the Accountant General from an entity in respect of advances made to the entity under this article, shall be paid, as respects of amounts received by way of repayment into the Treasury Clearance Fund and, as respects amounts received by way of interest into the Consolidated Fund.

120. (1) An entity shall cause to be prepared in every financial year, and shall not later than the end of September of each such year adopt, estimates of the income and expenditure of the entity for the next following financial year:

Provided that the estimates for the first financial year of each entity shall be prepared and adopted within such time as the Minister may by notice in writing to the entity specify.

(2) In the preparation of such estimates the entity shall take account of any funds and other monies that may be due to be paid to it out of the Consolidated Fund during the relevant financial year, whether by virtue of this Act or an appropriation Act or of any other law; and the entity shall so prepare the said estimates as to ensure that the total revenues of the entity are at least sufficient to meet all sums properly chargeable to its revenue account including, but without prejudice to the generality of that expression, depreciation.

(3) The estimates shall be made out in such form and shall contain such information and such comparison with previous years as the Minister responsible for finance may direct.

(4) A copy of the estimates shall, upon their adoption by the entity, be sent forthwith by the entity to the Minister and to the Minister responsible for finance. The Minister shall at the earliest opportunity and not later than six weeks after he has received a copy of the estimates from the entity, after consultation with the Minister responsible for finance, approve the same with or without amendment. The Minister shall as soon as practicable cause the total amount of these approved estimates to form an integral part of the Government General Estimates.

121. (1) No expenditure shall be made or incurred by an entity unless provision therefor has been made in the estimates approved as provided in article 120.

(2) Notwithstanding the provisions of subarticle (1) -

(a) until the expiry of six months from the beginning of a financial year, or until the approval of the estimates for that year by the Minister, whichever is the earlier date, the entity may make or incur expenditure for carrying on its functions under this Act not exceeding in the aggregate one-half of the amount approved by the Minister for the preceding financial year;

(b) expenditure approved in respect of a head or sub-head of the estimates may, with the approval of the Minister given after consultation with the Minister responsible for finance, be made or incurred in respect of another head or sub-head of the estimates;
(c) in respect of the first financial year, the entity may make or incur expenditure not exceeding in the aggregate such amounts as the Minister responsible for finance may, after consultation with the Minister, allow;

(d) if in respect of any financial year it is found that the amount approved by the Minister is not sufficient or a need has arisen for expenditure for a purpose not provided for in the estimates, the entity may adopt supplementary estimates for approval by the Minister, and in any such case the provisions of this Act applicable to the estimates shall as near as practicable apply to the supplementary estimates.

122. (1) The entity shall cause to be kept proper accounts and other records in respect of its operations, and shall cause to be prepared a statement of accounts in respect of each financial year.

(2) The accounts of the entity shall be audited by an auditor or auditors to be appointed by the entity and approved by the Minister:

Provided that the Minister responsible for finance may, after consultation with the Minister, require the books and accounts of every entity to be audited or examined by the Auditor General who shall for the purpose have the power to carry out such physical checking and other verifications as he may deem necessary.

(3) After the end of each financial year, and not later than the date on which the estimates of the entity are forwarded to the Minister under article 120(4), each entity shall cause a copy of the statement of account duly audited to be transmitted to the Minister and to the Minister responsible for finance together with a copy of any report made by the auditor or auditors on that statement or on the accounts of the entity.

(4) The Minister shall, as soon as practicable, cause a copy of every such statement and report to be laid on the Table of the House of Representatives.

123. (1) All monies accruing to the entity shall be paid into a bank or banks appointed as bankers by the entity with the approval of the Minister. Such monies shall, as far as practicable, be paid into any such banks from day to day, except for such sum as the entity may authorise to be retained to meet petty disbursements and immediate cash payments.

(2) All payments out of the funds of the entity, other than petty disbursements not exceeding a sum as from time to time may be fixed by the entity, shall be made by such officer or officers of the entity as the entity shall appoint or designate for that purpose.

(a) the manner in which and the officer or officers by whom payments are to be authorised or approved;

(b) the title of any account held with the bank or banks into which the monies of the entity are to be paid, and the transfer of funds from one account to the other;

(c) the method to be adopted in making payments out of funds of the entity and generally with respect to any matter which is relevant to the proper keeping and control of the accounts and books, and the control of the finance, of the entity.

124. No entity shall, except with the approval of the Minister granted for special reasons and after consultation with the Minister responsible for finance, award or enter into any contract for the supply of goods or materials or for the execution of works, or for the rendering of services, to or for the benefit of the entity, which is estimated by the entity to exceed six thousand and nine hundred and eighty-eight euro and twelve cents (6,988.12) in value, or such other amount as the Minister responsible for finance may by regulations under this article prescribe, except after notice of the intention of the entity to enter into the contract has been published and competitive tenders have been issued.

PART XI

(a) the conduct of examinations in all schools and in all institutions of learning of the State except the University;

(b) the conduct of examinations for induction into the service of the State, public corporations and commercial partnerships in which the State has effective control.

For the purposes of paragraph (b), the State shall be deemed to have effective control of a commercial partnership where in that partnership more than fifty per cent of the capital or voting power is owned or controlled, directly or indirectly, by the State.

126. (1) In State schools and the University all teaching shall be given to Maltese citizens without any fee being charged. So as to ensure the full exercise of choice of school by parents, the State shall, through agreements of subsidy of non-State schools, when such are of a non profit-making character, in accordance with the availability of public funds, provide gradually for the same gratuity of teaching in such schools as is afforded to students in State schools.

(2) The Minister may by regulations prescribe the fees to be
charged for examinations and special courses outside regular hours and the fees to be paid by students who are not Maltese citizens:

Provided that the Minister may exempt any person from the payment of those fees.

(3) The Minister may determine rates of stipends payable to students receiving further education after having completed their secondary education and may impose conditions for the payment of such stipends.

(4) The Minister may by regulations order that no fees shall be charged for the teaching of Maltese citizens in schools other than State schools and of a non-profit-making character provided that in such a case the Minister shall before making such an order ensure that the schools to which the order applies shall be in a position to continue to provide their services and shall supplement from public funds the financial means of those schools where, following investigations conducted together with those schools, such necessity arises.

(5) Without prejudice to sub-article (4), the Minister may by regulations determine the maximum fees which may be charged for the teaching of Maltese citizens in schools other than State schools and the maximum fees so determined may be different for different schools or for different levels or sectors of schools other than State schools:

Provided that in making such regulations the Minister shall ensure on the basis of an objective assessment of the schools to which the regulations apply that these shall be in a position to continue to provide their services and for this purpose the Minister shall, if necessary, supplement the financial means of those schools through public funds.

127. (1) When a person who applies for a licence to open a school under article 20 has his application refused, or when the applicant has not been served notice in writing of the decision of the Minister as established in article 20(6), or when a school licence is suspended or withdrawn by the Minister, the applicant or the licence holder may, within the time prescribed in article 20(11), appeal to the Court of Appeal in its Inferior Jurisdiction.

(2) Notwithstanding that an appeal would have been lodged in accordance with the provisions of this article, a licence shall be considered as having been suspended or cancelled, as the case may be, pending the final decision of the Court of Appeal.

(3) The Minister responsible for justice may make regulations which establish the fees to be paid in the Court registry with regard to appeals made under this article:

Provided that until such fees are established by the Minister responsible for justice, the fees that are due to be paid for appeals before that Court shall be the same fees as apply to the Court of Magistrates (Malta).

(3) The Director General of the Directorate referred to in this article may give his permission under sub-article (1) when, having made the necessary investigations, he is of the opinion that there are sufficient reasons to justify the exemption of the parents of the minor from their duty to ensure the regular attendance of the minor at school and when the Director General of the Directorate referred to in this article is also of the opinion that the employment of the minor would not be of harm to the health or normal development of that minor.

(4) When giving his permission in accordance with subarticle (3), the Director General of the Directorate referred to in this article may impose such conditions requiring the minor to attend such alternative educational or training programmes as may be prescribed, and any such permission shall be considered immediately withdrawn if any of the conditions imposed in such permission are not observed.

(5) The Director General of the Directorate referred to in this article may approve apprenticeship indentures and training schemes which, when so approved, shall not be deemed to constitute employment for the purposes of this article.

Provided that no criminal proceedings for an offence under paragraph (b) of this sub-article shall be taken unless the parent, within three days from the date he receives a notice from the Director General of the Directorate for Educational Services requesting him to explain the absence of the minor from school, fails to give a good and sufficient explanation.

(2) Any person who opens or keeps a school without a licence from the Minister shall be guilty of an offence and shall, on conviction, be liable to the punishments established for contraventions and to a fine (ammenda) not exceeding one hundred and sixteen euro and forty-seven cents (116.47) for each day during which the offence continues in the case of a continuing offence.

(3) Any person who contravenes the provisions of article 43(1) shall be guilty of an offence and shall, on conviction, be liable to the punishments established for contraventions and to a fine (ammenda) of twenty-three euro and twenty-nine cents (23.29) for every day of employment of the minor.

an offence committed by any parent against the provisions of
article 129(1), the Second Hall of the Civil Court may, upon an
application by the Director of Education, deprive that parent of his
authority, whether "de jure" or "de facto", over the minor and may
appoint a tutor for that minor.

(2) In the case of a second or subsequent conviction for an
offence committed by any other person against the provisions of
article 129(2), the court may authorise the Minister, at his request,
to take possession of the premises opened or kept as a school
without a licence and this for such time as the court may deem
necessary to prevent that person from committing a further offence
against the provisions of that sub-article.

134. (1) The Minister may, from time to time give to any of
the entities or to any of its officers or employees such directives

5.2 The Admissions Board shall have the power -

(a) to decide on the eligibility of any candidate for admission to the University as a regular, probationary or provisional student and for admission to a course of studies;

(b) to decide on the eligibility of any candidate for admission as a regular student of the University in terms of regulation 2.2 and, where it deems it appropriate -

(i) to require such a candidate to satisfy additional conditions before being admitted as a regular student; and/or

(ii) to restrict the choice of course, or of options within a course, to which such a candidate may be admitted;

(c) to decide on who is admitted to a course, to which admission is limited, in accordance with the provisions of the regulations and bye-laws for
that course and any other criteria established by resolution of the Senate;

(d) to seek the advice of a faculty admissions committee (consisting of the Dean or his delegate and at least two other academic members appointed by the Board of the Faculty concerned) on any matter concerning eligibility for admission to a course of studies in that Faculty, and in particular on whether any candidate seeking admission as a regular student in terms of regulation 2.2(a)(iii) has the necessary academic background to follow the course of studies with profit, normally after having assessed the candidate through an interview or some other form of assessment;

(e) to advise the Senate on all matters regarding admission to the University and to courses of studies.

5.3 The quorum for meetings of the Admissions Board shall be three.

6. Entry Requirements

6.1. General Entry Requirements (see regulation 2.1). Subject to any other provision of these regulations, the General Entry Requirements are the following:

(a) the Matriculation Certificate; and

(b) passes in the Secondary Education Certificate at Grade 5 or better in Maltese, English Language and Mathematics:

Provided that if a pass in Maltese, and/or English, and/or Mathematics is obtained within the Matriculation Certificate, either at Advanced or at Intermediate Level, a pass in the Secondary Education Certificate Examination is not required.

6.2 Corresponding Examinations. The Admissions Board may recommend to Senate the acceptance of passes at corresponding levels of other examinations as equivalent to the Matriculation Certificate or the Secondary Education Certificate for the purpose of admittance.

6.3.1 Special Course Requirements. The regulations and bye-laws for a course of studies may specify other requirements for admission to that course. In particular they may limit the choice of subjects that may be offered at Advanced and Intermediate Levels, or specify alternative qualifications for admission which would be acceptable, in whole or in part, as ‘qualifications of similar academic standard’ for the purpose of regulation 2.2.

6.3.2 Where a faculty indicates special course requirements for a particular area of study which it offers, those special course requirements shall always apply irrespective of the course in which the area of studies is being taken, provided that a faculty may indicate additional requirements for that area of studies taken in courses which it offers.

6.4.1 A candidate who is a graduate of a university or has other qualifications considered to be sufficient may, on the advice of the faculty admissions committee concerned, be exempted by the Admissions Board from any subject a pass in which is required for admission to a course in that Faculty.

6.4.2 When an aptitude test is required for admission to a course, Senate shall appoint an Examining Board normally composed of:

The Head of the relevant Department or the Director of the relevant Institute or the nominee of such Head or Director;
The Head of Department of Psychology or his nominee; and The Registrar or his nominee.

7. **Alternative Compulsory Subjects in Special Circumstances**

7.1 The Admissions Board may, in the special circumstances and subject to the conditions set out hereunder, allow a candidate to offer another subject instead of Maltese as follows:

(a) It may allow a non-Maltese candidate to offer instead of Maltese his own language.

(b) It may allow a Maltese candidate who, for reasons of residence or education abroad over a significant period during the previous four years, has not received adequate teaching in Maltese, to offer instead of that subject another language or another subject.

8. **Further Provisions**

8.1 *Admission to a Course after its Commencement.* A candidate who is qualified for admission to the University as a regular student may be allowed by the Admissions Board, subject to any conditions it may impose, to join a course of studies in its second year, provided that the Faculty Board concerned is satisfied that the candidate has completed, at a recognised institution of higher education, a sufficient proportion of the syllabus of that course as to make it possible for the candidate to complete the first two years of the course in one year.

8.1.1 The Senate may, on the advice of the Board of the relevant Faculty or Institute, allow a candidate to be considered by the Admissions Board for admission to any year of the course. The provisions of regulation 8.1 shall apply *mutatis mutandis.*

8.2 *Concurrent Courses.* Unless with the special permission of the Senate, a student may not register concurrently for more than one course of studies leading to a degree, diploma or certificate except in the cases listed in regulation 8.2.1.

8.3 *Occasional Students.* The Rector may allow a person to attend a course of lectures or a practical class as an occasional student provided that any teacher concerned is willing to accept the student and is satisfied that the student has the necessary academic background to follow the lectures or practical classes with profit. The Rector may, at his discretion, withdraw such permission at any time.

8.3.1 Occasional students shall not be entitled to the rights and privileges accorded to regular students and may not sit for any examinations of the University. Such students shall nevertheless be bound by the disciplinary regulations of the University.

8.4 *Curricular Students.* The Rector, on the advice of the Board of a Faculty or Institute, may allow any person to register as a curricular student for the whole or parts of a course given in that Faculty or Institute. Such students shall not have the right to sit for any examinations but may make use of all the other facilities accorded
to regular students.

8.5 A student who discontinues a course or is not permitted by regulations to continue a course, may be allowed to re-register as a student in any course before the expiration of three years only with the permission of Senate acting on the advice of the Admissions Board.

9. Suspended Students

9.1 A student who, after due warning given in writing, persistently fails to attend lectures and/or tutorials or otherwise does not carry out his academic duties without adequate justification, shall be suspended for such periods not exceeding six months, as the Rector, after considering the recommendation of the Board of the relevant Faculty or Institute, may decide.

9.1.1 A suspended student may, on the recommendation of the Dean of his Faculty or the Director of his Institute be allowed to attend lectures and/or tutorials and participate in other academic activities under such conditions as the Rector may approve.

10. Applications for Admission

10. Candidates wishing to join courses in terms of the Admission Regulations shall apply on the prescribed forms by the date established by Senate, unless in special circumstances and with the permission of Senate.

R02 - UNIVERSITY EXAMINATIONS REGULATIONS, 1997

1.1 The subjects of the examinations shall be those prescribed in the relevant regulations.

1.2 Unless otherwise provided in the regulations for a particular course:

(i) examinations shall be held in two sessions: normally in June and in September;

(ii) candidates shall be required to complete their examinations for the particular academic year in these two sessions;

(iii) if a candidate is absent in one or more subjects in any session other than a June session for a reason considered by the Senate to be valid and beyond his control, and there is no regular session of the same examination within the next twelve months, he shall be allowed instead to sit for such subject or subjects at a special session.

(iv) if a candidate is absent in a June session for a reason considered by the Senate to be valid and beyond his control, the Senate may allow the candidate to opt to sit all the examinations that he would have had to sit in June, as a first sit in the September session, or to sit the missed examination under re-sit conditions in September;

(v) if in order to be eligible to take the final Examinations, a student lacks one element such as a credit for one study-unit, the Rector, on the advice of the dean or other equivalent academic officer of the University, may authorise the taking of that Examination with such provisions as are deemed necessary to ensure adequate
compensation for the aforesaid missing element;
(vi) Regulations 1.2(iii) and 1.2(iv) shall apply mutatis mutandis in the case of absence in examinations that are held in other sessions of examinations that are exceptionally held on dates other than June or September.

2. Boards of Examiners

2.1 There shall be a Board of Examiners for each subject of examination.

2.2 (a) The Board of Examiners shall normally be composed of the head of the department, or the co-ordinator of the area of studies which provides the main part of the tuition, as chairman, and of two other examiners; provided that the Senate, on the advice of the Faculty Board concerned, may recommend to Council to increase the number of examiners in any particular subject.

(b) Where the Senate considers it appropriate, additional examiners shall be appointed for specific parts of the examination. Such additional examiners shall participate in the deliberations of the Board of Examiners but only insofar as they concern those parts of the examination in which they were involved.

(c) External Examiners, where appointed, shall be additional to the normal compliment of the Board of Examiners.

(d) A teacher who is not a member of the Board of Examiners may be required by the Board to assist them in any part of the examination in the subject he teaches.

(e) Where appropriate a Faculty Board shall appoint a moderator of examinations, assisted by a sub-committee provided that this provision shall always apply in the case of examination of dissertations.

2.3 (a) A member of a Board of Examiners (including paper setters and markers) shall be disqualified from examining:

(i) if he is related to a candidate by consanguinity or by affinity to the third degree inclusive;

(ii) if he has been, at any time during the academic year to which the examination refers, a guardian of a candidate or has given private tuition in the subject of examination;

(iii) in the case of the Matriculation Examination and the Secondary Education Certificate Examination, if he has been, at any time during the twelve months before the examination concerned, a teacher of any of the candidates in the subject of examination or a closely related subject.

(b) The markers’ panel may take into account assessments of projects and/or oral proficiency submitted by authorised teachers according to procedures established by the Board.

(c) The Rector, after consultation with the Dean of the Faculty concerned, shall appoint another examiner in place of the member who is so disqualified.

2.4 If, prior to the commencement or during the course of an examination, the Rector is satisfied that a member of a Board of Examiners is unable to perform or to continue to perform his duties, he shall, after consultation with the Dean of the Faculty concerned, appoint an other examiner in place of that member.

2.5 Where the examiner who is replaced in terms of 2.3 or 2.4 above is the chairman of the Board of Examiners, the Rector shall appoint a new chairman who
must be the head of another department within the same Faculty or a lecturer from the Department concerned, and such substitute examiners as may be necessary.

2.6 Course work Assessment: Students required by regulations to obtain a credit shall normally be assessed by the lecturer responsible for teaching the relevant study-unit. The Head of Department or Co-ordinator of the course shall act as moderator. If the person responsible for teaching the study-unit is himself the Head of Department or Course Co-ordinator, then the Dean of the Faculty or Director of the Institute shall act as the moderator.

3. Procedures for Boards of Examiners

3.1 Subject to the provisions of these regulations and to any guidelines made by the Senate, the Board of Examiners shall determine the procedures to be adopted for the conduct of the examination:

Provided that each member of the Board shall participate in at least a part of the examination of every candidate.

3.2 The Board of Examiners, in judging the merits of candidates, may take into account not only their performance during the examination but also their work in the subject during the course.

3.3 Decisions of the Board of Examiners shall be made by a majority of votes. No examiner shall be at liberty to abstain from voting. In the case of an equality of votes the chairman shall have and shall cast a second vote:

Provided that it shall be in order for the chairman to consider a matter as having been decided by the Board if the general consensus among the members appears to be in favour of such decision and no vote is asked for:

Provided also that if an External Examiner is unable to take part in the final deliberation of the Board because of his being abroad it shall be lawful for the other members of the Board to make decisions in his absence so long as any views he may have expressed in writing are taken into consideration and the final decision is acceptable to him.

3.4 The members of Boards of Examiners shall treat as confidential everything connected with their proceedings.

4. Examinations involving more than One Subject

4.1 When the regulations of a course require that the results of an Examination involving more than one subject be published as a whole, the procedures adopted for arriving at such a result shall take into account any guidelines issued by the Senate for this purpose.

5. Degree Classification Boards

5.1 Unless otherwise provided in the regulations for a particular course, or the course consists of only one area of study:

(a) Whenever course regulations provide that a degree/diploma is classified there shall be a degree Classification Board.

(b) Each Classification Board shall be composed of the Chairman of the Boards of Examiners of the Final Examination for each area of study in the course and the External Examiners. The Board shall be chaired by the Dean of the Faculty or, in his absence, by one of the Chairmen of the Examination Boards, elected to chair the meeting by the other members of the Board. The Board may call any other examiner to participate as advisor.
6. Revision of Examination Papers

6.1 Subject to the provisions of regulations and to any procedural guidelines made by the relevant University authority, a candidate may, within two weeks from the publication of the examination results, request that a revision of his examination scripts be undertaken for the purpose of ascertaining that no error was made in the award of marks or grade obtained in a particular examination paper.

6.2 The revision of examination scripts will be undertaken by the same Board of Examiners together with an additional examiner appointed by the Senate for the purpose. The provisions of article 3 of these regulations apply mutatis mutandis.

6.3 The academic judgment of the original examiners is not reviewable by the Board of Examiners considering the appeal and the result will only be altered if the change can be justified by objective criteria.

6.4 The result of the revision of papers will be communicated to the candidate in the form of a short report giving the motivation of the result.

6.5 If the request for revision is found justified, all records, including possible changes in final classification, will be amended accordingly, and any fee paid in connection with the appeal will be refunded.

7. Special Needs

7.1 The University will seek to make provisions to assist persons with special needs to be able to sit for its examinations provided that the candidate does not gain undue advantage from such assistance. Any assistance so provided shall be under the full control of the University.

7.2 Candidates with a disability may be given the option to be exempted from being examined in a particular element of the examination, such as orthography (in a non-language examination), an oral or a practical. When candidates accept the option, the certificates shall be endorsed as follows:

“Special arrangements were made to enable the candidate to be assessed in this subject. Details may be obtained from the Registrar.”

Such certificates shall only be issued as a last resort when ways cannot be found of supporting disabled candidates to satisfy examination requirements.

The Holy See and the Government of the Republic of Malta, keeping in mind the historical development of the University studies in Malta and having above all considered the advantages of a scientific, cultural and social character which could be derived from closer ties of the Faculty of Theology with the University of Malta, by common accord established as follows:

1. The Faculty of Theology is incorporated in the University of Malta. Such incorporation and the functions of the Faculty of Theology are regulated, in the first place, by the provisions of the present Agreement, and, in the second place by the Laws of Malta and by the Statutes of the same University.

2. Academic degrees and diplomas conferred by the Faculty of Theology shall have canonical and civil value.

3. As regards the structure, the internal organization, the academic and the student bodies, the Faculty of Theology is incorporated in the University of Malta in the same state of fact in which it exists on the date of the present Agreement and as shown in the Annex, saving the right of the same Faculty, for its reasonable and proper development, to vary the number of students and of teachers, as also the right to provide for other courses of theology and of any other discipline connected therewith, if this is deemed necessary for the appropriate preparation of its students.

4. The University of Malta, in everything that regards the regulation of the studies and the academic and canonical requirements for the teachers in the Faculty of Theology, shall proceed in accordance with what is laid down in the Apostolic Constitution “Sapientia Christiana” of 15 April 1979 and in the “Ordinationes” issued by the Congregation for Catholic Education on 29 April 1979 and with such
The candidates for the post of teacher in the Faculty of Theology shall provide themselves beforehand with a certificate from the Archbishop of Malta attesting that there is no canonical objection in their respect.

For the disciplines in matters of faith and morals, the University of Malta shall communicate in due time to the said Archbishop the name of the candidate chosen after the selection process, who shall receive the appointment of teacher after he shall have subscribed to the profession of faith before the same Ordinary and received from him the canonical mission.

Should the same Archbishop, for reasons pertaining to the faith, to moral conduct or to ecclesiastical discipline, revoke the “nihil obstat” or the canonical mission to a teacher, the latter shall cease to form part of the Faculty of Theology and proceedings shall immediately be taken for the appointment of a new teacher.

5. The Government of Malta and, through the Foundation for Theological Studies, the Archdiocese of Malta shall provide the economic means which are necessary for the proper functioning of the Faculty of Theology, in such measure and with such modalities as shall be established by common accord.

7. Should there arise, in future, any difficulty of interpretation or application of the foregoing provisions, the Holy See and the Government of the Republic of Malta shall entrust the search for an amicable solution to a Joint Commission which shall be composed, on the part of the Holy See, by the Apostolic Nuncio in Malta and by the Archbishop of Malta or by their delegates, and, on the part of the Maltese Government, by the Minister of Education and by the Rector of the University, or by their delegates.

On behalf of the
Government of Malta

(Sgd.)

Mgr. Pier Luigi Celata
Tit. Archbishop of Doclea
Apostolic Nuncio

On behalf of
the Holy See

We certify that on 26 September 1988 the Faculty of Theology consists of the following three entities, canonically established:

(A) The Faculty of Theology proper; (B) The Institute for Religious Studies; (C) The Institute of Philosophy and Human Studies.

(A) The Faculty of Theology proper comprises three cycles: the first, of five years’ duration, leads to the conferment of a Bachelor’s degree (S.Th.B.); the
second, of two years duration, leads to the conferment of a Licentiate (S.Th.L.); the third, lasting an adequate number of years, leads to the attainment of a Doctorate (S.Th.D.). The Faculty also confers a Diploma in Pastoral Theology.

The teaching staff includes Permanent and non-Permanent teachers as well as Visiting Teachers. The Permanent teachers are divided into three grades: Lecturers, Associate Professors and Professors. The non-Permanent teachers and Visiting Teachers may be Maltese or foreign, and vary in number according to the needs of the Departments. Besides, the Faculty includes 3 Emeritus Professors.

The Faculty consists of six Departments each with its own teaching staff, as follows:

1. Department of Fundamental and Dogmatic Theology, including Ecumenism: with three permanent teachers (a Professor and two Lecturers);
2. Department of Moral Theology, including Spiritual and Ascetic Theology: with two Permanent teachers (both Professors);
3. Department of Holy Scripture, Hebrew and Greek: with three Permanent teachers (a Professor and two Lecturers);
4. Department of Church History, Patristics and Palaeo-Christian Archaeology: with two Permanent teachers (a Professor and another post, currently vacant);
5. Department of Pastoral Theology, Canon Law and Liturgy: with 5 Permanent teachers (a Professor, an Associate Professor, two Lecturers and an Assistant Lecturer);
6. Department of Philosophy: with 5 Permanent teachers (a Professor, two Lecturers and two currently vacant posts). During the last year, when students of philosophy already followed courses at the University, the Government, in anticipation of the incorporation of the Faculty of Theology in the University, had already assigned to the Department of Philosophy of the Faculty of Theology an amount corresponding to four full-timers (a Professor and three Lecturers), one of them being detailed to teach a subject already included in the Department of Pastoral Theology of the Faculty of Theology. This matter might eventually be taken into consideration by the Council of the Faculty.

Subject to approval by the Council of the Faculty, every Department invites annually non-Permanent staff to lecture according to its needs. Every Department has its own Co-ordinator.

The Permanent members of the teaching body, who are on part-time employment, are present at the Faculty of Theology according to the following number of weekly sessions: 5 Professors for 4 sessions and one Professor for 2/3 sessions; an Associate Professor for 2 sessions; one Lecturer for 4 sessions, 4 Lecturers for 3 sessions, 6 Lecturers for 2 sessions and one Lecturer for one session. Every session corresponds to half a working day.

(B) The Institute for Religious Studies is empowered to confer the degree of Bachelor in Religious Studies and is structured in a cycle of part-time evening courses of 5 years’ duration. It is also empowered to confer a Diploma in Religious Studies at the end of a two-year course.

The Institute is based in Floriana (Catholic Institute), is governed by its own Director and a Board which is subject to the Council of the Faculty of Theology, whose Rector is the Chairman of the same Board. The teachers of the Institute are chosen mainly from the Permanent staff of the same Faculty, but other teachers are also invited.
(C) The Institute of Philosophy and Human Studies consists of a cycle of three years with courses in Philosophy, Psychology and Sociology. It is empowered to confer the degree of Bachelor in philosophy and Human Studies.

With the incorporation of the Faculty of Theology in the University, the Institute of Philosophy and Human Studies will in actual fact remain in abeyance.

The students registered at the Faculty of Theology in the academic year 1988-1989 are divided as follows:

(a) Faculty of Theology proper: 36 regulars and 13 curriculars. In addition, there are another 19 students who, as foreseen for the first cycle of Theology, follow courses in Philosophy and who are divided as follows: 15 are regulars enrolled in the Faculty of Arts of the University of Malta, 2 are about to be enrolled in the same Faculty on the strength of “mature matriculation”, and 2 are curriculars registered at the Faculty of Theology;

(b) Institute for Religious Studies: 82 regulars and 12 curriculars;

(c) Institute of Philosophy and Human Studies: 4 regulars and 1 curricular.

5. Any part of the contribution by the Foundation for Theological Studies that shall result unspent at the end of the annual fiscal period for which the said contribution had been allocated shall be refunded to the said Foundation.

ACCORDO TRA LA SANTA SEDE E IL GOVERNO DELLA REPUBBLICA DI MALTA
La Santa Sede e il Governo della Repubblica di Malta, avendo presente lo sviluppo storico degli studi universitari a Malta ed avendo soprattutto considerato i vantaggi di carattere scientifico, culturale e sociale che potranno derivare da un più stretto collegamento della Facoltà di Teologia con l’Università di Malta, stabiliscono di comune intesa quanto segue

1. La Facoltà di Teologia è incorporata nell’Università di Malta.
   Tale incorporazione e le funzioni della Facoltà di Teologia sono regolate, in primo luogo, dalle disposizioni del presente Accordo e, in secondo luogo, dalle Leggi di Malta e dagli Statuti della stessa Università.

2. I gradi accademici e i diplomi conferiti dalla Facoltà di Teologia avranno valore canonico e civile.

3. Per quel che concerne la struttura, l’organizzazione interna, il corpo accademico e quello studentesco, la Facoltà di Teologia è incorporata nell’Università di Malta nello stato di fatto in cui essa si trova alla data del presente Accordo e come risulta dall’Allegato, salvo restando alla stessa Facoltà, per un suo ragionevole ed adeguato sviluppo, il diritto di variare il numero degli studenti e dei docenti, nonché il diritto di provvedere altri corsi di teologia e di qualunque altra disciplina connessa, se ciò sarà ritenuto necessario per la congrua preparazione dei suoi studenti.

4. L’Università di Malta, in tutto ciò che riguarda l’ordinamento degli studi ed i requisiti accademici e canonici dei docenti della Facoltà di Teologia, procederà in conformità con quanto prescritto dalla Costituzione Apostolica "Sapientia Christiana" del 15 aprile 1979 e dalle "Ordinationes" emanate dalla Congregazione per l’Educazione Cattolica il 29 aprile 1979 e con eventuali norme canoniche che in futuro dovessero integrare o sostituire quelle contenute in tali documenti della Santa Sede.

I concorrenti ad un posto di docente nella Facoltà di Teologia dovranno munirsi previamente di un attestato dell’Arcivescovo di Malta che non vi è alcuna obiezione canonica contro di essi.

Per le discipline concernenti la fede e la morale, l’Università di Malta comunicherà tempestivamente allo stesso Arcivescovo il nome del candidato vincitore del concorso, il quale riceverà la nomina di docente dopo che avrà emesso la professione di fede presso il medesimo Ordinario e da questi avrà ricevuto la "missione canonica".

Qualora lo stesso Arcivescovo, per ragioni attinenti alla fede, alla condotta morale o alla disciplina ecclesiastica, dovesse revocare il "nulla osta" o la "missione canonica" a un docente, questi cesserà di far parte della Facoltà di Teologia e immediatamente si procederà per la nomina di un nuovo docente.

5. Il Governo di Malta e, tramite la "Foundation for Theological Studies", l’Arcidiocesi di Malta forniranno i mezzi economici necessari per il conveniente funzionamento della Facoltà di Teologia, nella misura e nei modi che saranno stabiliti di comune intesa.

6. Il Presidente della "Foundation for Theological Studies" o un suo delegato farà parte del Consiglio dell’Università, Due rappresentanti della stessa "Foundation for Theological Studies" faranno parte del Consiglio della Facoltà di Teologia.

7. Se in avvenire sorgessero difficoltà di interpretazione o di applicazione delle
precedenti disposizioni, la Santa Sede e il Governo della Repubblica di Malta affideranno la ricerca di un’amichevole soluzione ad una Commissione Paritetica che sarà composta, per parte della Santa Sede, dal Nunzio Apostolico a Malta e dall’Arcivescovo di Malta o da loro delegati, e, per parte del Governo Maltese, dal Ministro dell’Educazione e dal Rettore dell’Università, o da loro delegati.

(A) La Facoltà di Teologia propriamente detta: comprende tre cicli, di cui il primo della durata di 5 anni, al termine del quale è conferito il Baccalaureato (S.Th.B); il secondo della durata di 2 anni, al termine del quale è conferita la Licenza (S.Th.L.); il terzo, della durata di un congruo numero di anni, per il conseguimento del Dottorato (S.Th.D.). La Facoltà conferisce pure il Diploma in Teologia Pastorale.

Il corpo docente comprende docenti Permanenti, non-Permanenti e Visiting-Teachers. I docenti Permanenti sono divisi in tre gradi: Lettori, Professori-Associati, Professori. I docenti non-Permanenti e i Visiting-Teachers possono essere maltesi o stranieri, e variano di numero secondo le esigenze dei Dipartimenti. La Facoltà annovera, inoltre, 3 Professori Emeriti.

La Facoltà consta di sei Dipartimenti con i relativi docenti, come segue:

1. Dipartimento di Teologia Fondamentale e Dogmatica, incluso l’Ecumenismo: con 3 docenti Permanenti (di cui un Professore e due Lettori);
2. Dipartimento di Teologia Morale, inclusa la Teologia Spirituale ed Ascetica: con 2 docenti Permanenti (Professori);
3. Dipartimento di Sacra Scrittura, Ebraico e Greco: con 3 docenti Permanenti (di cui un Professore e due Lettori);
4. Dipartimento di Storia della Chiesa, Patristica ed Archeologia Paleocristiana: con 2 docenti Permanenti (tra cui un Professore ed un posto attualmente vacante);
5. Dipartimento di Teologia Pastorale, Diritto Canonico e Liturgia: con 5 docenti Permanenti (tra cui un Professore, un Professore-Associato, due Lettori ed un Assistente-Lettore);
6. Dipartimento di Filosofia: con 5 docenti Permanenti (tra cui un Professore, due Lettori e due posti attualmente vacanti). In quest’ultimo anno, quando gli studenti di Filosofia frequentavano già i corsi presso l’Università, il Governo, nella
previsione dell’incorporazione della Facoltà di Teologia nell’Università, aveva già assegnato al Dipartimento di Filosofia della Facoltà di Teologia una cifra corrispondente a quattro "full timers" (un Professore e tre Lettori), uno dei quali destinato all’insegnamento di una scienza già inclusa nel Dipartimento di Teologia Pastorale della Facoltà di Teologia. Questa materia potrà essere eventualmente considerata dal Consiglio di Facoltà.

Ogni Dipartimento, col consenso del Consiglio di Facoltà, invita annualmente dei Lettori non-Permanenti secondo i propri bisogni. Ogni Dipartimento è retto da un proprio coordinatore.

I membri Permanenti del corpo docente, su una base di impiego "part-time", sono presenti nella Facoltà di Teologia secondo il seguente numero di sessioni settimanali: 5 Professori per 4 sessioni e 1 Professore per 2/3 sessioni; 1 Professore-Assiociato per 2 sessioni; 1 Lettore per 4 sessioni, 4 Lettori per 3 sessioni, 6 Lettori per 2 sessioni ed 1 Lettore per 1 sessione. Ogni sessione corrisponde a mezza giornata lavorativa.

(B) "Institute for Religious Studies" è abilitato a conferire il Baccalaureato in Studi Religiosi ed è strutturato in un ciclo di corsi serali "part-time" della durata di 5 anni. È altresì abilitato a conferire il Diploma in Studi Religiosi dopo un ciclo biennale di corsi.

L’istituto ha sede in Floriana (Istituto Cattolico), è retto da un proprio Direttore e da un "Board" soggetto al Consiglio della Facoltà di Teologia, il cui Rettore è il "Chairman" dello stesso "Board". I docenti dell’ istituto sono scelti, per lo più, fra quelli Permanenti della stessa Facoltà, ma sono invitati anche altri docenti.

(C) "Institute of Philosophy and Human Studies" comprende un ciclo di 3 anni con corsi di Filosofia, Psicologia e Sociologia. È abilitato a conferire il Baccalaureato in Filosofia e Scienze Umane.

Con l’incorporazione della Facoltà di Teologia nell’Università, l’Istituto di Filosofia e Scienze Umane, di fatto, rimarrà sospeso.

Gli studenti iscritti alla Facoltà di Teologia nell’anno accademico 1988-1989 sono così distribuiti:

(a) Facoltà di Teologia propriamente detta: 36 "regulars" e 13 "curriculars". Sono inoltre da aggiungere 19 studenti che, come previsto per il 1° ciclo di teologia, seguono corsi di filosofia e sono così distribuiti: 15 "regulars" iscritti alla Facoltà di Lettere nell’Università di Malta, 2 in procinto di esservi iscritti in base alla "mature matriculation", 2 "curriculars" iscritti alla Facoltà di Teologia;

(b) "Institute for Religious Studies": 82 "regulars" e 12 "curriculars";

(c) "Institute of Philosophy and Human Studies": 4 "regulars" e 1 "curricular".

INTESA FINANZIARIA TRA IL GOVERNO DI MALTA E L’ARCIDIACESI DI MALTA PER IL FINANZIAMENTO DELLA FACOLTÀ DI TEOLOGIA DELL’UNIVERSITÀ DI MALTA
Il Governo di Malta e l’Arcidiocesi di Malta, desiderando dare concreta attuazione a quanto convenuto tra la Santa Sede e lo stesso Governo all’Art. 5 dell’Accordo del 26 settembre 1988 sull’incorporazione della Facoltà di Teologia nell’Università di Malta, circa il comune finanziamento della medesima Facoltà stabiliscono quanto segue:

1. Il Governo di Malta finanzierà la Facoltà di Teologia secondo gli stessi criteri da esso applicati per il finanziamento delle altre Facoltà.

2. L’Arcidiocesi di Malta, tramite la “Foundation for Theological Studies”, contribuirà al finanziamento della Facoltà di Teologia nella misura ritenuta necessaria, oltre i fondi destinati dal Governo nel Budget dell’Università, ad assicurare che la stessa Facoltà possa svolgere le proprie funzioni in modo corrispondente a quanto stabilito negli art. 3 e 4 dell’Accordo sopra citato tra la Santa Sede e il Governo di Malta. Tale contributo potrà raggiungere, al massimo, quello assegnato dal Governo.

3. I competenti organi amministrativi dell’Università comunicheranno sollecitamente alla “Foundation for Theological Studies” l’ammontare del contributo stabilito dal Governo per il finanziamento della Facoltà e l’ammontare della spesa prevista dalla stessa Facoltà per il suo conveniente funzionamento.

4. La “Foundation for Theological Studies“, entro 30 giorni dalla data della comunicazione di cui al punto 3 della presente Intesa, esaminerà la previsione di spesa della Facoltà e, tenendo conto del contributo disposto dal Governo, comunicherà al Decano della Facoltà l’ammontare del proprio contributo, che verserà in rate trimestrali.

5. La parte del contributo della “Foundation for Theological Studies” che risulterà non essere stata spesa al termine dell’esercizio finanziario annuale per il quale lo stesso contributo era stato predisposto, sarà restituita alla stessa “Foundation”.

6. Qualora sorgessero difficoltà di interpretazione o di applicazione delle precedenti disposizioni, il Governo della Repubblica di Malta e l’Arcidiocesi di Malta affideranno la ricerca di un’amichevole soluzione ad una commissione paritetica che sarà composta, per parte del Governo Maltese, dal Ministro dell’Educazione e dal Segretario Generale del Ministero dell’Educazione, o da loro delegati, per parte dell’Arcidiocesi di Malta, dal Presidente della “Foundation for Theological Studies” e dal Direttore della “Foundation for Theological Studies”, o da loro delegati, e da un Presidente che sarà eletto dagli altri membri.
